180 Easy-to-Swallow Capsules

**Andrew Lessman's L-LYSINE** formula is an all-natural, 100% pure, free-crystalline L-Lysine supplement. Lysine is an essential amino acid that cannot be produced by your body and must be consumed as part of your diet or as a nutritional supplement.

**NON-ACIDIC • MICRO-GRANULATED • ENCAPSULATED • COLD-PROCESSED** Ultra-fine powders in a capsule are gentler on your stomach and dissolve more easily than the glued-together granules of ordinary vitamin tablets. Moreover, capsules avoid the heat generated by grinding nutrients and compressing them into tablets, thereby preserving their nutritional value. Only this 100% heat-free production yields our rapidly absorbed micro-granulated and encapsulated additive-free formulas.
