

SUGGESTED USE As a comprehensive multi-vitamin-mineral supplement, consume the contents of one packet (4 capsules) with food – preferably a complete meal. Because this product is non-acidic and pH balanced, you can feel comfortable taking all four capsules at one time with a meal. For more sensitive stomachs, simply divide the contents of one packet for consumption with food or meals throughout the day. **For answers to questions about the use of this product call 800.800.1200.**

MEN'S LIFE Rx

ESSENTIAL

COMPREHENSIVE MULTI-VITAMIN-MINERAL FORMULA

ALL NATURAL • 100% PURE • ADDITIVE-FREE
GENTLE EVEN FOR SENSITIVE STOMACHS

DIETARY SUPPLEMENT

30 Perma-Fresh Packets™ • 120 Easy-to-Swallow Capsules

MEN'S ESSENTIAL LIFE Rx is the original member of **Andrew Lessman's Life Rx** family of formulas, which are the world's only 100% pure multi-vitamin-mineral supplements containing *only* the vitamins and minerals listed on the label and *no binders, fillers, lubricants or other manufacturing additives of any kind.* **Essential Life Rx** comes as an ultra-fine powder in small, soft, easy-to-swallow capsules that, despite its high potency, is guaranteed to be gentle even to the most sensitive stomach. **Essential Life Rx** is designed for those who seek something more than an ordinary vitamin by delivering all the benefits desired from a multivitamin without any of the problems commonly associated with their use.

Essential Life Rx offers purity, technology and a comprehensive list of ingredients not available from any other product at any price.

Essential Life Rx for Men delivers more than 40 nutrients, including high levels of all essential vitamins and minerals, plus high potencies of anti-oxidants and carotenoids. **Essential Life Rx for Men** provides 1,000 IU of **Vitamin D**, along with exceptional levels of the B-Complex vitamins, including 500 mcg of **Biotin**, 250 mcg of **B-12** and 800 mcg of **Folic Acid**, plus 1,000 mg of **Vitamin C** from non-acidic Calcium Ascorbate and Ascorbyl Palmitate, along with the powerful anti-oxidant protection of a broad spectrum of carotenoids, such as **Alpha-Carotene**, **Beta-Carotene**, **Lutein** (2,000 mcg), **Lycopene** (2,000 mcg), **Zeaxanthin** (1,000 mcg) and **Astaxanthin** (500 mcg). Unlike many men's formulas, we do not ignore the requirements of a man's skeleton, so **Essential Life Rx for Men** also delivers high levels of super soluble forms of **Calcium** (200 mg), **Magnesium** (100 mg) and **Boron**, the nutrients men need most to support the health of the skeleton. The **Vitamin E** in **Essential Life Rx** is extremely unique providing a high potency blend of all four of the most important forms of natural **Vitamin E** (400 mg Total Tocopherols) focusing on all important **Gamma Tocopherol** (240 mg). Experts agree that Vitamin E is the most protective anti-oxidant vitamin and that the most protective form of Vitamin E is Gamma Tocopherol, because of its superior anti-oxidant activity. Unfortunately, virtually all other multivitamins contain only Alpha Tocopherol and none of the superior Gamma Tocopherol at all. Unlike typical one-pill-per-day multivitamins that can never deliver the nutrient levels a man truly requires in one tablet, **Essential Life Rx for Men** provides an exceptionally comprehensive list of essential vitamins, minerals and carotenoids at the potency levels respecting the scientific research and the needs of men.

Essential Life Rx is also a pleasure to use, since it does not employ difficult to digest tablets and instead comes as a 100% pure, additive-free, ultra-fine powder in small, soft, easy-to-swallow capsules. These micro-granulated powders are pH balanced and non-acidic to most efficiently deliver their benefits while also being gentle even to the most sensitive stomach.
